FOR IMMEDIATE RELEASE

CANDIDATE TO MEET WITH 2ND DISTRICT CITIZENS

Contact: Estelle Fennell for Supervisor (707) 923 1013

This Wednesday February 27th the campaign to elect Estelle Fennell to the 2nd District Supervisor's seat will host a special event in Garberville to give area voters an opportunity to meet with the candidate and hear why she's running to replace Roger Rodoni in the upcoming June Elections.

For the past two and a half months Estelle has been traveling throughout the district, attending numerous meetings and making contact with various citizens groups in order to be as well informed as possible about the issues and concerns of the people she will represent when elected.

One message Estelle has heard over and over again is that residents of the 2nd District feel under-served by the County and 2nd district families have not gotten their fair share. During a recent interview Estelle stated "I'm running for Roger Rodoni's seat because it's time the 2nd District had a responsible leader that represents all the citizens of the 2nd district and is willing to work hard on their behalf"

Estelle will make a brief presentation outlining what she sees as key issues facing the district and her plans to address them. Estelle, as always will be there to listen and take input from community members and she will also take question from the voters and press at the event.

DATE: WEDNESDAY February, 27th

TIME: 12:00 Noon

PLACE: The Garberville Fire Department Building
680 Locust Street (Next to Sheriff's substation)
Garberville
