

ESTELLE FENNELL RECEIVES HUMBOLDT CO. DEMOCRATIC
CENTRAL COMMITTEE ENDORSEMENT FOR 2ND DISTRICT
RUN (3/13/08)

Estelle Fennell received the Humboldt County Democratic Central Committee's official endorsement at the committee's monthly meeting in Eureka Wednesday evening. Estelle accepted the endorsement enthusiastically and thanked the committee for their vote of confidence in her abilities to be the 2nd district's next Supervisor. Stressing the importance of this pivotal election, Estelle added "Roger Rodoni's policies have hurt the workers of the second district. Too many families are underrepresented or underemployed. Together, we must make a proactive change and I look forward to ensuring government works again for the citizens of the second district."

Former Central Committee Chairman Patrick Riggs, who was unable to attend the meeting, sent a letter to the Central Committee in which he stated, "Estelle is an extremely intelligent, thoughtful, and honorable person whom I have known for years through my own political work. As Supervisor she will listen to the voices of her constituents and will represent their interests faithfully while giving them an articulate, confident voice. Moreover, she will be an essential and much needed voice for social justice, human rights, and civil liberties on the board. She is the one Democrat in the race, and a damn good one. I support her wholeheartedly and respectfully request that you do so as well."
